

Fanny Chapman IMPORTANT DATES - 2010

Every swimmer and diver in our league knows that in order for their team to be successful against the toughest competition in the Bux-Mont Swim League, every member of the team must be at the meets, ready to give their best effort. All of our swimmers and divers work extremely hard to meet the individual and team goals we set for ourselves at the beginning of the season. It would be disappointing to put in all the effort at practice only to miss the big chance to see if all the hard work has paid off (to see how much you have improved)

In an effort to help families plan their vacations around the Dolphins, we have posted a tentative schedule for the upcoming swimming season. It is our hope that families will enjoy all that the short swimming and diving season has to offer before they leave for their other scheduled vacations.
